We champion British beef, pork, chicken and bacon across our event menus.

We proactively engage with our fishmongers to ensure they work towards only supplying MCS (Marine Conservation Society) Good Fish Guide rated 1–3 fish and seafood.

All fresh eggs used in our kitchens are British free-range and RSPCA-certified from St Ewe Farm.

We use British grown and milled flour from growers signed up to Wild Farmed regenerative standards.

We champion seasonal British fruit and vegetable produce, with hero ingredients traced to an individual farm.

Plant-based and vegetarian dishes are a key part of our menus, with the goal to make them 25% of all menus by the end of 2025.

We champion cooking chocolate from the Islands Chocolate farm in St. Vincent and the Grenadines.

In our recipes, we champion British-harvested rapeseed oil from R-Oil, farmed in ways improving soil quality.

We work with the best English Sparkling Wine producers, and have created our own label with a vineyard in Guildford.

We champion natural filtered-on-site water where possible, or Harrogate Water in glass bottles.

We promote mindful drinking by providing premium no- and low-alcohol options.

We will only use British RSPCA-assured fresh milk by the end of 2025.

Our teas are responsibly sourced and are either Rainforest Alliance certified, organic or directly traded.

Our coffee comes from Notes Coffee Roasters which supports community farms and uses its Roas-Tree scheme to help fight deforestation.

In 2025 we are launching Nourish by Searcys conference menu package designed to offer maximum nutritional benefit for minimum environmental impact. All recipes have a low-moderate CO₂ footprint, measured using our Nutritics system.
